To make endorsements on bills of lading conferring authority to make entry and collect drawback, and to make, sign, declare, or swear to any statement, supplemental statement, schedule, supplemental schedule, certificate of delivery, certificate of manufacture, certificate of manufacture and delivery, abstract of manufacturing records, declaration of proprietor on drawback entry, declaration of exporter on drawback entry or export declaration, application for export license, or any other affidavit or document which may be required by law or negotiation for drawback purposes, regardless of whether affidavit or document is required or intended for filing in a particular customs district, or in any other customs district, or elsewhere;

To sign, seal, and deliver for and as the act of said grantor any bond required by law or regulation in connection with the entry or withdrawal of imported Goods or Goods exported with or without benefit of drawback, or in connection with the entry clearance, lading, unloading, or navigation of any vessel or other means of conveyance owned or operated by said grantor, and any and all bonds which may be voluntarily given and accepted under applicable laws and regulations, consignee’s and owner’s declaration provided for in section 485, Tariff Act of 1930, as amended, or affidavits in connection with the entry of Goods;

To sign and swear to any document and to perform any act that may be necessary or required by law or regulation in connection with the entering, clearing, lading, unloading, or operation of any vessel or other means of conveyance owned or operated by said grantor;

The foregoing power of attorney to remain in full force and effect until notice of revocation in writing is duly given to and received by a District Director of Customs, with notice in writing of such revocation also provided to the Company. If the grantor of this power of attorney is a partnership, the power shall in no case have any force or effect after the expiration of two (2) years from the date of its receipt in the office of the District Director of Customs.

In granting this power of attorney, grantor acknowledges receipt of and accepts MN Container Lines Inc’s Terms and Conditions of Service, which are a part of the standard Company invoice, as governing all transactions between the parties, and represents and warrants by signing this agreement that it has full authority to execute this power on behalf of grantor.

If grantor is the importer of record, payment to the Company will not relieve you of liability for U.S. Customs charges (duties, taxes, or other debts owed Customs) in the event the charges are not paid by the Company. Therefore, if you pay by check, Customs charges may be paid with a separate check payable to the “U.S. Customs Service” which shall be delivered to Customs by the Company. Importers who wish to utilize this procedure must contact our office in advance to arrange timely receipt of duty checks.
